Dedication

Because she has given so much of her precious time and energy to us and other staffs . . .

Because she uncomplainingly went ahead and completed the tasks we forgot . . .

Because she was always on hand with a word of encouragement and a smile . . .

Because she was always ready to give advice and help whenever we asked for it . . .

Because of these and many other reasons, we, the members of the 1963 Echo Staff, take pleasure in dedicating this yearbook to our sponsor, Mrs. Edna Jo Webster.

Mr. Lon Brach

Mr. Leslie Daubs

Mr. Wallace Keyser

Mr. Millard Long

Mr. Homer Williams

Mr. Kelly Loy is the

Mr. Leland Barnes

Mr. L. R. "Bill" Frye, Principal

True success comes from what we make of life, rather than from what we make in life.
The pathway to permanent success is a "Straight and narrow road."
Success is the dividend we earn from profiting by our mistakes
People who have succeeded say that success is spelled "application"
Success is measured by what we make of ourselves.
To succeed, stay enthused a little longer.

--Dr. John Holland

Our board of education, faculty and staff extend congratulations to those who have been responsible for the production of the 1963 ECHO. May it serve as a reminder of your days at Cisne Community High School.
